

## Subject Index (Vol. 50, 2008)

- A**
- Act on the Protection of Personal Information 11
  - Active Listening 120
  - Active Listening Attitude Scale 120
  - Adaptation to night shift work 133
  - Affect Balance Scale 219
  - Aging 129
  - Alertness 133
  - Allergy 83
  - Animal 37
  - Arrhythmia 1
  - Asbestos 145
  - Asbestos clinics 145
  - Asbestos exposure 145
  - Asbestos health examinations 145
  - Asbestosis 145
  - Asbestos-related diseases 145
  - Autogenic training 4
  - Autonomic nervous system 129
- B**
- Brief Job Stress Questionnaire 111, 120
- C**
- Care worker 49, 86, 103
  - Characterization 37
  - Confidential information 11
  - Consecutive night shift 133
  - Convenience stores 92
  - Core temperature 226
- D**
- Depression 49
- E**
- Exercise stress 226
- F**
- Formaldehyde 83
  - Fullerene 37
- H**
- Heart rate variability (HRV) 129
- J**
- Job stress 111
- L**
- Longitudinal studies 219
  - Low back pain 86
  - Lung cancer 145
- M**
- Managers 120
  - Meal 92
  - Mechanical lift 103
  - Medical examination designated by law 11
  - Mental health 4, 111
  - Mental work load 86
  - Mesothelioma 145
  - Method for keeping records 11
  - Musculoskeletal disorder 86
- N**
- Nanoparticle 37
  - Nanotube 37
  - Negative affectivity 219
  - Neighborhood exposure 145
  - Nurse 49
- O**
- Obesity 92
  - Occupational considerations for workers 11
  - Occupational exposure 145
  - Occupational health 1
  - Occupational health physician 11
  - Occupational physician 4
- P**
- Palpitation 1
  - Positive affectivity 219
- Q**
- Questionnaire Study 86
- R**
- Rationale for keeping records 11
  - Record keeper 11
- S**
- Self-care 4
  - Sick house syndrome 83
  - Sleep 129
  - Sleep quality 219
  - Stress management 111
  - Surface electromyography 103
- T**
- Test of hepatitis virus 11
  - Thermal strain in cold environment 226
  - Thermal strain in hot environment 226
  - THI scale 49
  - Transactional analysis 4
  - Transtelephonic electrocardiograph 1
  - Trunk inclination angle 103
- U**
- Urinary temperature 226
- W**
- Working situations 92
  - Work-related fatigue feelings 133
  - Work-related musculoskeletal disorders 103
- Y**
- Young workers 92
